PROCEDURAL ORDER**BY THE COMMISSION:**

Pursuant to Procedural Order dated April 6, 2000, the Arizona Corporation Commission ("Commission") ordered Tucson Electric Power Company ("TEP") to file a final proposed Code of Conduct on April 24, 2000. The April 6, 2000 Procedural Order directed interested parties to file comments/and recommendations (including recommendations for a hearing) on TEP's final proposed Code of Conduct on or before May 8, 2000. Commission Utilities Division staff ("Staff") was the only party to file comments on TEP's Code of Conduct. Staff agreed with TEP's Code of Conduct as filed and recommended that an evidentiary hearing not be held.

Pursuant to Procedural Order dated February 3, 2000, New West Energy Corporation ("NWE") filed a final proposed Code of Conduct on April 18, 2000. Interested parties, including

1 APS Energy Services, Inc. and Staff filed comments, and on May 8, 2000 NWE filed a second
2 revision of its proposed Code of Conduct that incorporates changes agreed upon in negotiations with
3 APS Energy Services and Staff. On May 5, 2000, APS Energy Services supported NWE's revised
4 Code of Conduct without a hearing. In its April 28, 2000 Comments, Staff did not believe that an
5 evidentiary hearing was required.

6 Commission Rule R14-2-1616 provides that all Codes of Conduct shall be subject to
7 Commission approval after a hearing. In these cases interested parties have had extensive
8 opportunity to review and propose modifications to both TEP's and NWE's proposed Codes of
9 Conduct, and there is general agreement among the parties that the Codes of Conduct as filed are
10 sufficient and comply with Commission rules. Consequently, an evidentiary hearing is not
11 warranted. Pursuant to R14-2-1616, the Commission will conduct a consolidated public comment
12 hearing in these matters.

13 IT IS THEREFORE ORDERED that consolidated public comment hearings on the proposed
14 Codes of Conduct for TEP and NWE shall commence on **June 20, 2000 at 10:00 a.m.**, at the
15 Commission's offices, Room 222, 400 West Congress, **Tucson, Arizona** and on **June 21, 2000, at**
16 **10:00 a.m.**, at the Commission's offices at 1200 West Washington, **Phoenix, Arizona**.
